

NTT SCHENGEN VISA PROMISE

As with all of the services we offer, NTT seeks to operate within the highest standards of professional excellence and to ensure that your entire experience is seamless and unforgettable.

We commit to giving our full support to your visa application. We must emphasize, however, that we are not visa agents and are therefore unable to provide assistance in matters that are not strictly related to tourism.

It is very important that we get to know you, so that we can better represent your interests. That is why scheduling a 1:1 meeting with us is a prerequisite to our acceptance of each application.

Please ensure that you provide all pertinent information and documentation, as part of your submission. Visa denials arising from undisclosed information will not be covered by our Refund Policy.

We have had an almost perfect 90%] access rate in relation to our submissions. Despite this, we are not in a position to provide guarantees, as visa approvals/denials are at the discretion of the relevant Embassy and/or its Immigration authorities.

Should you get a denial, we will reapply for you (at no extra cost to original paid) after 3 months. Any changes from the time of submission to the time of re-application such as visa fee increase wouldn't be covered.

You will be required to provide additional information to strengthen your case.

Should you get denied on a second occasion, you will receive a seventy five percent (75%) refund of your deposit.

Should you wish to transfer to another NTT trip within nine (9)months of the second denial, the full amount of your deposit will be applied accordingly.
